COMPANY RESUME

OBJECTIVE:

Our objective is to allow us to introduce our company to yours, in hopes of achieving a working relationship in the future. Here is some information for your review. We offer free estimates from architectural plans or from the actual job site.

QUALIFICATIONS

Our company is fully equipped to handle all phases of Marble, Stone and Ceramic Tile installation (Commercial, Industrial and Residential). We have the experience and quality of service, which has earned us the reputation to work with local and national contractors throughout the East Coast of the United States. Our company's success is based upon years of quality work. Custom Tile is a multi-faceted, highly diversified contracting company that is fully licensed and insured to meet the standards required. Our capabilities are virtually on any type of project including custom homes, office buildings, hotels, shopping centers and high-rise apartment buildings. Our staff has been trained to work confidently and efficiently with clients, architects, sub-contractors, designers, homeowners and suppliers to provide a top quality product, on time and within the budget specified

Enclosed is our company resume for your files. On behalf of my staff, and myself I look forward to our future business relationship. If you should require any additional information, please visit our web site www.customtilemarble.com. Please do not hesitate to call my office at 305-667-8453 or my cell phone 305-342-7318 anytime.

Sincerely,
